

Bringing together  
**BETTER SECURITY**  
for a safer life

**GUJARAT SECURITY SERVICES**

## Amul More (MD)

A knowledgeable, assertive and self-motivated individual bringing forth valuable experience in the field of security. Instrumental in directing security, crisis management and critical investigation. Successful in implementing effective security measures, achieving significant safety and security improvement. Excellent communicator, thrives in fast-paced environments with a complete set of skills to drive security operations. ”

Worked for corporates like Forbes Gokak Ltd., Hotel Holiday Inn, Inox Leisure Ltd. With ample experience and expertise, have established an agency in the year 2005 procuring necessary statutory registrations along with security licenses from relevant Government Authorities. Started just with few security personnel and went on to make a standard name in the field of Safety and Security generating an employment for over 1500 employees, with PAN Gujarat operations.

**GUJARAT SECURITY SERVICES**

## SECURITY SERVICE SOLUTIONS

Our security services cater to individuals, groups, corporates, residential and commercial establishments. We endeavour to provide 360 degree security solutions.

### Industrial Security Guard Services ▶

Our team is capable enough to handle any situation and perform their duties in an effective way. Selected after several tests, they are appointed after their verification by local police authority. Further, they are very faithful, loyal and have a strong physique. Every security guard is trained regularly and is updated with latest security procedures.

### Bank Security Guard Services ▶

We are a prominent organization providing Banks Security Guard Services. For this, we offer trained security guards with agility and strength. Our security personnel hold vast experience in the domain and are capable of facing all kinds of situations.

### Hotels & Hospitals Security Services ▶

**Hotels:** Ensuring Hotel safety by special and specific procedures and methods, maintaining the responsibility of security alarm systems, and implementing procedures aimed at protecting personal property of guests, employees and the Hotel itself. Hospitality Industry requires comprehensive security procedures to provide a better working environment and ambience respectively, to the staff and guests.

**Hospitals:** To keep staff, patients and visitors safe, we enforce a code of conduct and behaviour which is of paramount importance. As a Security Service provider, it is in our character to remain stringent and stiff for the enforcement of the law. We do not allow and tolerate physical, verbal aggression, or abuse towards staff, patients, family members and visitors. However, the security staff that we post are well advised and trained to be sensitive towards the foot falls that are likely to be emotionally tense, edgy, or irritated.

## Malls & Multiplex Security Guards ▶

We are the most prominent force when it comes to handling security concerns in malls & multiplexes. Apart from the regular security profile of providing security through frisking, showing agility on suspicious activities, and looking after parking and other related concerns, the guards have also been provided the basic training for fire fighting and first aid along with the ability to handle heavy visitor traffic during the week ends.

## Commercial & Residential Security Teams ▶

Many people are exposed to risks when they leave their homes unoccupied for extended periods. This can include celebrities, public figures and those who travel for extended periods. GSS has the ability to deploy highly trained Residential Security Teams who are trained and experienced with the type of threats that may occur and the ways to deal with them.

## Event Security ▶

We have an able force to provide security to events of any scale. We provide our services for events such as beauty pageants, music concerts, sport meets, marriages, public programs and many more.

# TRAINING & RECRUITMENT CENTRE @ DAHOD, GUJARAT

We at Gujarat Security Services undertake the recruitment of security personnel by adopting & implementing best management and business practices.

The selected and scrutinized candidates are further trained as Security Guards / Supervisors to suit a varied range of security requirements for the clients.
